

Mr.P.Arumugam

Chief Executive

EKKI Pumps | Deccan Pumps Pvt Ltd

Shri.P. Arumugam, a graduate of Mathematics with a Master's in Business Administration has been the driving force behind EKKI & Deccan for over 40 years. He is the Founder & Chief Executive of Deccan Pumps Private Limited, Deccan Enterprises and EKKI Pumps. He is also a Director & Founder Trustee of Info Institute of Engineering, a not for profit Engineering College.

The EKKI Group is one among India's Advanced Pumping Technologies Manufacturers that produces pumps and systems under the EKKI and DECCAN Brands. With its 4 world-class production centres, The EKKI Group today is the world's largest producer of Vertical-Open-well Submersibles and is also a market leader in the Pumps business in India.

Apart from this, Mr.Arumugam is a fond agriculturist and philanthropist. He is ever committed to ensure that the group sustains its benchmarks of quality & customer services. He has donated heavily and extensively for the upliftment of his hometown village through infrastructure and education. He also runs an old age called "The Darbari Elders Home" which is a non-profit organization. With his diverse prolific experiences & philanthropic outlook he is a Founder Trustee of Kanapathy Charitable Trust and Darbhari Charitable Trust.
